overrun Africa.

429AD

Picts and Scots expelled from
southern England by Saxons,
Jutes, and Angles

429

The Vandals, invited by
Boniface migrate under
Geiseric from Spain to
Africa which they conquer.

Vandals established a Kingdom in North Africa. The granary of the Western empire passed out of Roman control. In 406, the Rhine frontier was breached when vast herds of Vandals poured into the western part of Gaul known as Aquitania, followed 4 yrs later by the Visigoths. The Vandals swept southward and looting as they went, across the PYRENEES into Spain whether they had been INVITED by the Roman general

GERONTIUS. I have exhibited the aid of the
Virgils, granting them peaceful retirement
in Aquitaine in return for helping him to
oust the Vandals from Spain. The Vandals moved
the Mediterranean & engaged with Africa
By 439 the Vandals had taken Carthage from
which moral law they later (455) carried
home
